NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

ACTIVITY STATUS

Goal 1: Increase the number of individuals taking action to support anti-tobacco activities

1(a) Increase the skills and knowledge of stakeholders

ONGOING

- Develop and distribute NBATC Progress Reports.
- Maintain an up to date and relevant NBATC website to ensure that stakeholders are able to quickly and easily access important tobacco control resources.
- Attend conferences and workshops that relate to NB Anti-Tobacco Strategy and when appropriate, distribute outcomes of these events to stakeholders.
- Participate in trade shows and health fairs for the purpose of distributing tobacco control resources to advance the goals of the NB Anti-Tobacco Strategy (e.g. REACH Conference, NB Lung Health Symposium, Provincial Wellness Conference).
- Respond to stakeholder requests for information and resources to support their efforts in tobacco control and coordinate sending the required resources.
- Maintain stakeholders' database and list-servs.
- Participate as a key informant in national and provincial research initiatives.
- Increase NBATC social media presence and communication with stakeholders by updating NBATC Twitter feed with tobacco control resources, news and information.
- Contribute tobacco related content (i.e. events, new resources, webinars, statistics) for posting on our partners Facebook, Twitter and newsletters (HSFNB, CCS, Wellness Movement. etc).
- Work with TATU Grant recipients to gather additional success stories to highlight and share via the NBATC e-newsletter.

PLANNED

- Provide a webinar featuring success stories from TATU grant recipients (Oct, 2017).
- Support Vitalité Health Network's Nicotine Addiction Forum (October, 2017).

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

IN PROCESS

- Explore opportunities for provincial stakeholders training or regional development.
- Identify and disseminate information related to key health indicators that are associated with tobacco use.
- Provide a webinar on smoking cessation in vulnerable population.

COMPLETE

- Support Vitalité Health Network's Nicotine Addiction Forum (September, 2016).
- Participate with an exhibit booth in the New Brunswick Lung Association's Respiratory Health Symposium (September, 2016).
- Host a Twitter based content during National Non-Smoking Week to highlight the reduction in smoking rates in New Brunswick reported in the 2015 Canadian Tobacco, Alcohol and Drugs Survey (January, 2017).
- Participate in the New Brunswick Family Plan – Summit on Promoting Wellness to ensure that tobacco-free living is included in the provincial strategy aimed at improving the health and well-being of New Brunswickers at every stage of life (March, 2017).

1(b) Stimulate and disseminate tobacco research that will advance the goals of the strategy.

ONGOING

- Distribute and promote the use of Canadian Tobacco, Alcohol and Drugs Survey (CTADS), Canadian Student Tobacco, Alcohol, and Drug Survey (CSTADS), the New Brunswick Student Wellness Survey, Canadian Community Health Survey and other related surveillance information.
- Maintain and collaborate with other tobacco control networks, provincially and nationally.
- Include tobacco indicators as part of New Brunswick Health Council's "My Community at a Glance" Community Profiles.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

PLANNED

- Implement the elementary student wellness survey in the 2016-17 school year (June 2017).
- Analyze and share results of the 2016-2017 elementary student wellness survey with schools and district (September 2017).

IN PROCESS

- Explore research opportunities to better understand the association between food insecurity and tobacco use in New Brunswick.

COMPLETE

- Analyze and share results of the grade 6-12 student wellness survey with schools and districts.
- Periodically poll New Brunswick public concerning opinions related to tobacco issues (e.g. Canadian Cancer Society public opinion polling) and provide results to stakeholders.

1(c) Engage diverse populations by providing opportunities for active leadership (e.g. Aboriginal, youth, seniors).

ONGOING

- Explore opportunities to support and link tobacco control opportunities through active membership on First Nation/Aboriginal Peoples Network.

PLANNED

- Work with Aboriginal Sport and Recreation New Brunswick to revitalize and re-launch the Tobacco-Free Sport program.
- Identify organizations or groups that work with youth and young adults and explore the potential of supporting prevention activities. I.e. YMCA, FJFNB, Boys & Girls Club etc.
- Provide new, relevant and up to date youth tobacco control content on NBATC website through links with appropriate youth organizations.

COMPLETE

- Promote and support the Health Canada young adult campaign “Break it Off.”

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

1(d) Encourage comprehensive tobacco-free policies, practices and activities by workplaces, organizations and facilities.

ONGOING

- Provide materials related to tobacco-free workplaces to the NB Workplace Wellness Community of Practice for inclusion in their resource library.

COMPLETE

- Support the promotion and education of the public and employees of Horizon Health Network and Vitalité Health networks regarding their smoke-free policies.

1(e) Work to align tobacco-free initiatives with other strategies and networks to help advance the New Brunswick Anti-Tobacco Strategy.

ONGOING

- Carry out strategic outreach, which aims to engage current and new stakeholders for the purpose of building capacity for action that supports the New Brunswick Anti-Tobacco Strategy.
- Meet with stakeholders and identify ways their strategies can support tobacco-free living.
- Provide links to key national and provincial tobacco control organizations on NBATC website (e.g. Physicians for a Smoke-Free Canada, National Non-Smokers' Rights Association, Newfoundland and Labrador Alliance for the Control of Tobacco).
- Enhance knowledge, by Regional Wellness Consultants, on how to incorporate tobacco control initiatives as part of their efforts.

COMPLETE

- Welcome the Department of Public Safety's Contraband Enforcement Unit to the NBATC steering committee.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

Goal 2: Increase the number of New Brunswickers who remain tobacco free.

2(a) Increase effective tobacco-free initiatives by school-community partnerships.

ONGOING

- Support schools, districts and Healthy Learners Program Public Health Nurses to successfully implement tobacco-free schools plans using a comprehensive school health approach.
- Promote use of the tobacco module found in the Joint Consortium for School Health (JCSH) “Healthy School Planner” which is an online tool designed to help individual schools create healthier environments.
- Provide School Wellness Grants (K-12) which enable schools to choose a priority area of focus including tobacco or mental fitness.
- Share best practices from School Wellness Grants and Student Wellness Survey data with schools to support planning school/district wellness strategies, including promotion of mental fitness initiatives as an approach to prevent tobacco use.
- Support community capacity and youth engagement to take action on tobacco-free living through the provision of The Take Action on Tobacco Use (TATU) grant program.

PLANNED

- Webinar or other forum to share TATU grant recipient success stories from the school setting.

COMPLETE

- Share success story from Harcourt School via NBATC e-newsletter entitled “Harcourt School Empowers Its Young Students to Say No to Smoking and Second-Hand Smoke.” (May, 2016).

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

2(b) Reduce youth access to tobacco and tobacco-like products by supporting and implementing policies, bylaws, legislation or activities.

ONGOING

- Enforce the *NB Tobacco and Electronic Cigarette Sales Act* which regulates where, how and to whom tobacco products and electronic cigarettes can be sold in NB; enforcement is conducted by Department of Public Safety compliance officers.
- Consider opportunities for future amendments to the *NB Tobacco and Electronic Cigarette Sales Act*.

COMPLETE

- Support anti-contraband measures such as the implementation of the Contraband Enforcement Unit by the Department of Public Safety which will reduce the affordability of tobacco products for youth.

2(c) Expose tobacco practices that promote the use of tobacco or tobacco-like products.

IN PROCESS

- Provide a plenary session at the provincial wellness conference entitled "A Commercial Tobacco End Game- What Might it Look Like?" (May 2016).
- Develop an infographic on the social media and movie influences on tobacco use among adolescents (May, 2016).

COMPLETE

- Develop a new presentation to re-engage stakeholders in tobacco control by exploring the "end game" for tobacco use.
- Provide endorsements for plain and standardized packaging to the Canadian Cancer Society from organizations within New Brunswick.
- Develop a position on the legalization/regulation of marijuana which will focus on the prevention of the negative health effects associated with marijuana smoke.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

Goal 3: Increase the number of tobacco users who quit and remain tobacco free.

3(a) Increased reach of a comprehensive, coordinated, accessible network of cessation supports and services.

ONGOING

- Maintain “Key Cessation Resources for New Brunswick” document on NBATC website.
- Promote adoption of an integrated cessation continuum, which includes the Smokers’ Helpline, Smokers’ Helpline Fax Referral (Ask, Advise, Refer), Smokers’ Helpline Online and the Clinical Tobacco Intervention (CTI) Ask Advise Assist program by all health/helping professionals and organizations.
- Provide and promote Smokers’ Helpline and Smokers’ Helpline Online services (including dissemination of resources).
- Integrate Smokers’ Helpline services with Integrated Voice Recognition (IVR) service used by Ottawa Model in Horizon Health Network.
- Expand and support the Ottawa Model for Smoking Cessation to hospitals, outpatient, ambulatory and community practice settings in Horizon Health Network and Vitalité Health Network through training, facilitation, and building infrastructure to support sustainable change (policy development, standardized tools, key performance indicators providing measures for process improvement etc).

PLANNED

- Launch the Canadian Cancer Society’s Run to Quit program in Moncton and Fredericton, New Brunswick (April, 2017).

IN PROCESS

- Review the literature regarding cessation in vulnerable populations and explore dissemination of relevant information.
- Educate staff working within mental health facilities in Vitalité Health Network to better understand the importance of offering OMSC support and nicotine withdrawal prevention for patients.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

COMPLETE

- Offer a smoking cessation challenge “Défi Qui Cesse Gagne” to the communities of Tracadie and Bathurst via radio promotion.
- Provide a presentation on the Smokers’ Helpline during a community cessation meeting in Hampton New Brunswick (Get Fit to Quit, January, 2017).
- Expand coverage of smoking cessation therapies within the New Brunswick Drug Plans to include nicotine replacement therapies in addition to Bupropion and Varenicline (Nov, 2015).
- Implement a 15 month project to integrate smoking cessation as a standard of care within outpatient oncology settings in Horizon Health Network by using the Ottawa Model. Project funded by the Canadian Partnership Against Cancer.

3(b) Promote an understanding of the impact of social influences within home, school, community and workplace settings.

IN PROCESS

- Develop an infographic and fact sheet to explore the social influences of tobacco use in youth.

3(c) Incorporate youth cessation within comprehensive school health initiatives.

ONGOING

- Support youth cessation through School Wellness Grants.

PLANNED

- Promote Quit 4 Life Program with school health intermediaries.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

Goal 4: Increase the number of 100% tobacco-free spaces.

4(a) Support increased number of 100% tobacco-free policies in all indoor and outdoor spaces including public, private and workplace environments.

Note: for additional information on amendments to the *Smoke-free Places Act* which include outdoor public spaces please refer to page 15 of this report.

ONGOING

- Enforce the *NB Smoke-free Places Act* which prohibits smoking and vaping in enclosed public places and indoor workplaces as well as in a variety of outdoor public spaces; enforcement is conducted by Public Health inspectors, Public Safety compliance officers and Work Safe inspectors.
- Exchange information and resources, increase public and professional awareness of the health benefits of tobacco-free outdoor spaces, support the formation of tobacco-free policies in outdoor environments and seek opportunities to promote tobacco-free outdoor spaces with traditional and non-traditional partners.

IN PROCESS

- Consider opportunities for future amendments to the *Smoke-Free Places Act*.

COMPLETE

- Hosted a webinar entitled "Breathing Easy: Smoke-free Outdoor Public Spaces and Events in New Brunswick." (May,2016).

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

4(b) Increase public awareness, active support and adoption of 100% tobacco-free indoor and outdoor spaces.

ONGOING

- Explore new opportunities to increase public support for smoke-free spaces, including, homes and multi-unit dwellings.

PLANNED

- Work with municipalities via stakeholders (public health/public safety) to promote the "Making my Outdoor Event Smoke-Free" guide and resources related to smoke-free events. Develop and deliver a presentation for stakeholders regarding the guide.

IN PROCESS

- Participate on the planning committee for Parks and Trails Day 2017 to promote healthy active living in New Brunswick communities while celebrating smoke-free outdoor spaces.

COMPLETE

- Work with Ontario and British Columbia to develop messaging to promote smoke free housing month (June 2016).
- Monitor public attitudes and behaviours related to smoke-free spaces through available research and surveillance efforts.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

Activities that Provide Support to All Goals and Objectives

ONGOING

- Ensure funding is optimized to support priority activities of the NBATC.
- Secure NBATC administrative support and coordination (currently identified under the *Partnership and Collaboration* strategic direction in New Brunswick Wellness Strategy).
- Maintain and develop linkages with other health-related coalitions and organizations, provincially and nationally (e.g. Canadian Council for Tobacco Control, Chronic Disease Prevention Alliance of Canada, Healthy Eating Physical Activity Coalition of NB, Provincial Coalitions and Councils Network, Non-Smokers' Rights Association, Canadian Smoke Free Housing Coalition).
- Ensure linkages are made between tobacco control and province-wide wellness, healthy living and chronic disease prevention and management initiatives.
- Promote NBATC Tobacco-Free Living Champions Success Stories through the Wellness Movement via the "Start Your Story" theme as well as on their Twitter feed and Facebook page.

PLANNED

- Encourage stakeholders to host tobacco-free living activities during New Brunswick's Wellness Week, October 1-7, 2017.

IN PROCESS

- Consider opportunities to promote mental fitness as a strategy for reducing tobacco use.

COMPLETE

- Encourage stakeholders to host tobacco-free living activities during New Brunswick's Wellness Week, October 1-7, 2016.
- Develop and disseminate a new promotional brochure for the NBATC.

NB ANTI-TOBACCO STRATEGY PROGRESS REPORT

April 2016 to March 2017

Provincial Legislation that supports the NB Anti-Tobacco Strategy

New Brunswick Smoke-free Places Act

- Smoking prohibited in enclosed workplaces and public places (effective October 1, 2004).
- Smoking prohibited in vehicles with children under the age of 16 (effective January 1, 2010).
- Smoking prohibited in many outdoor settings (Effective July 1st 2015), including: patios, entrances to buildings, playgrounds, beaches, provincial parks, sports areas and walking trails.
- Where smoking is prohibited, the use of electronic cigarettes and hookahs are also prohibited (regardless of what product is being used). (Effective July 1st 2015).
- The definition of “smoking” broadened to include “any substance that is smoked and that creates smoke, second hand smoke” including marijuana. (Effective November 17th, 2016).
- Smoking prohibited on hospital grounds. (Effective December 16th, 2016).

New Brunswick Tobacco and Electronic Cigarette Sales Act

- Tobacco retail displays banned (effective January 1, 2009).
- The sale of electronic cigarettes and e-juices to minors is prohibited. (Effective July 1st 2015).
- The sale of all flavoured tobacco is prohibited, with no exceptions. (Effective January 1st 2016).

New Brunswick Tobacco Tax Act

- Tobacco tax increased 5.25 cents per cigarette, tobacco stick and per gram on all other tobacco products, except cigars. (Effective March 23rd, 2011).
- Tobacco retail licence fees were changed April 1, 2012. The fee for a new licence is \$100 with an annual renewal fee of \$50.
- Tobacco tax increased 2.00 cents per cigarette and 5.26 cents on tobacco sticks and per gram on all other tobacco products, except cigars (Effective March 27th, 2013).
- Tobacco tax increased 3.26 cents per cigarette, tobacco stick and per gram on all other tobacco products, except cigars. (Effective February 2nd, 2016).
- Tobacco tax increased 3.26 per cigarette, tobacco stick and per gram on all other tobacco products, except cigars. (Effective February 1st, 2017).
